Subject: NRIA Review

Dana/Reggie,

Can you please send a message to Luis Garcia and Thomas Breslin of FEMA explaining that we will not be able to meet the review date due to the GKM response?

Luis.Garcia2@fema.dhs.gov

Thomas.Breslin@fema.dhs.gov

Thank you,

Brian

Luis and Tom,

Due to the need to redirect resources for the Headquarters response associated with the Gold King Mine Release, we will not be able to make the deadline for review and comments to the Nuclear/Radiation Incident Annex to the Response and Recovery Federal Inter-agency Operation Plans associated with the DRG review. With EPA being responsible for key authorities for response to particular aspects of the NRIA, we respectfully request you allow us additional time to review the NRIA to allow our key personnel to review the NRIA.
